## THE STATE OF NEW HAMPSHIRE

---

**To the Inhabitants of the Town of Greenfield in the County of Hillsborough in said State, qualified to vote in Town Affairs:**

You are hereby notified to meet at Town Hall in said Greenfield on Tuesday, the 14th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

Art. 1. To choose all necessary Town Officers for the year ensuing.

Art. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Art. 3. To choose one or more and not more than three Highway Agents for ensuing year.

Art. 4. To hear reports of Selectmen, Highway Agents, Treasurer, Overseer of the Poor, Library Trustees, and any other Town Officials, and take any action relative thereto.

Art. 5. To see what sum of money the Town will vote and appropriate for repairs of highways and bridges, or take any action relative thereto.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$3,000 for snow removal, or take any action relative thereto.

Art. 7. To see what sum of money the Town will vote to raise and appropriate for support of Public Library, or take any action relative thereto.

Art. 8. To see what sum of money the Town will vote to raise and appropriate for Memorial Day, or take any action relative thereto.

Art. 9. To see if the Town will authorize the Selectmen to hire a sum of money to pay Town debts, or take any action relative thereto.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$65 for the Monadnock Region Association, or take any action relative thereto.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$489.40 for Class V roads, the State will contribute \$1,957.60 or take any action relative thereto.

Art. 12. To see if the Town will abandon, as public road, the Way named "Bennington Street" in certain property deeds held by Boston Young Men's Christian Union as shown on their plot map as "Old Stage Coach Road" or take any action relative thereto.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$115.00 for the purchase of power lawn mower for use in the Cemeteries, or take any action relative thereto.

Art. 14. To see if the Town will vote to pay the Collector of Taxes, a salary in an amount to be not less than 1% of average amount actually collected by him, or her, and turned over to The Town Treasurer during the last two fiscal years, or take any action relative thereto.

Art. 15. To see if the Town will vote to accept the sum of \$140.00 to be known as the "Shirley Merchant Fund" income to be used for purchase of books for Stephenson Memorial Library, or take any action relative thereto.

Art. 16. To see what sum of money the Town will vote to raise and appropriate for securing a permanent Honor Roll for veterans of World War II or take any action relative thereto.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for care of Town poor, or take any action relative thereto.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 being a deficit between the amount voted in 1949 and the amount actually spent for Town poor, or take any action relative thereto.

Art. 19. To see if the Town will vote to abandon segments of Russell Hill Road caused by construction of road to Crippled Children's Hospital or take any action relative thereto.

Art. 20. To see if the Town will vote a discount of 2% on tax bills 30 days from date of tax bill, or take any action relative thereto.

Art. 21. To see if the Town will vote to reopen the so called "Tramp House" or take any action relative thereto.

Art. 22. Shall the provisions of Chapter 171A of revised State laws relative to playing games of Beano by Charitable Organizations be adopted in the Town of Greenfield, or take any action relative thereto.

Art. 23. To transact any other business that can legally come before the meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and fifty.

## Forest Fires—Our Most Shameful Waste

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say, "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved only if you and you and you cooperate with them. It is worth your effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.
3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

**TO THE SELECTMEN:**

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose in reminding local citizens of the danger from such fires and how they can help prevent them. The following is offered with the respectful request for publication in your town report.

Sincerely,

JOHN H. FOSTER, State Forester

## THE STATE OF NEW HAMPSHIRE

---

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN  
OF GREENFIELD QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Town Hall in said district on the 13th day of March 1950, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the school district will vote to raise and appropriate the sum of \$500.00 for the purpose of fencing in with chain link fence, the front side of the school lot adjacent to the highway, and to provide an adequate gate for admittance and egress to the school property and to further provide a fence for the rear and southwest side bordering the White and Russell lot, thus completely enclosing the school property.
9. To see what action the district wishes to take relative to providing transportation for all elementary school children who live one mile or more from the school to which they are assigned and to raise and appropriate the sum of \$500.00 to provide for the same.

10. To see if the school district will vote to raise and appropriate the sum of \$700.00 to assist in providing transportation for high school pupils.

11. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands at said Greenfield this 11th day of February, 1950.

## REPORT OF SCHOOL SUPERINTENDENT

### TO THE SCHOOL BOARD AND CITIZENS OF GREENFIELD:

I respectfully submit my third annual report as your Superintendent of Schools.

This year our school has been enlarged by remodelling a room, previously seldom used, to house grades 4, 5 and 6. Our new organization involving grades 1 through 6 has worked out exceptionally well.

Mrs. Adams and Mrs. Window are to be commended for the excellent work they have been doing. The youngsters are responding well to their instruction.

This past year, our instruction has been enlivened by the use of the new sound moving picture projector that has been provided through the efforts of the Greenfield P. T. A. and interested friends. We are now able to bring into the classrooms, in animated form, experiences about which the pupils would otherwise only be reading. The projector gives us an opportunity to provide twice as much teaching in half the time.

Every effort is being made to adapt our program to the needs of the individual. The teachers are being aided in this adjustment program by a testing program that provides them with information pertaining to their abilities, their strengths and weaknesses. Each year intelligence tests are given to grades one, three and six. Once a year, and oftener if the situation demands, achievement tests are given to each pupil to determine his improvement in the various subject areas. These are usually given in May. With information of this nature, the teachers are able to revise their methods and to apply emphasis where it is most needed.

Two years ago, a new spelling system was adopted, with the hope of improving this area of our work. This series develops good spelling habits through word analysis and paragraph writing rather than word-list-study. We have observed a decided improvement in this area.

About the same time we replaced an old language series with a new one. This new series has done much to enliven the work in this subject and is consequently contributing to a definite improvement in this field.

In an effort to obtain more parent and citizen interest in the schools, numerous activities have been carried on to which the public has been invited. The response has been very gratifying. An active interest in the schools contributes greatly to pupil and teacher morale, and is a great motivating force toward better work.

The school lunch is working very well, largely as the result of the very able work of Mrs. Cochran.

The nursing services have been very capably handled by Mrs.

Ola Myhaver, school nurse. The dental clinics have been very well organized and carried out with a maximum amount of efficiency. The local P. T. A. and Chapter of the American Red Cross contributed greatly in money, time and effort to the success of this project.

Mrs. Whitcomb has been doing a very fine piece of work with the music in the school. She has devoted a great deal of time to the pre-school group. The children and parents have been brought together, become acquainted, and have mutually enjoyed the games, music, etc., in which these very young people have been engaged. This program has done much to make their adjustment to the first grade an easy and natural one.

I wish to commend the School Board for the hours of labor that they have contributed in making renovations, constructing equipment, and making repairs that have contributed greatly to the physical condition of the building. All of this work has been done without remuneration.

The School Board has discussed at various times, the best way in which, parents and children could be notified in case of "no school" occasioned by inclement weather. As the result of these discussions the following policy has been decided upon. Our schools will be open every day regardless of the weather. Thus parents will be assured that when they send their children to school there will always be somebody there. On extremely stormy days the parents are encouraged to use their own judgment and to keep their children home if they feel that it is in the best interests of health and safety to do so.

Since it is necessary for the School Board to adhere to the 180 day State School Policy, a policy such as the above will eliminate the necessity for making up school days on Saturdays, during vacation periods or at the end of the school year.

#### BUDGET

The School Board's Budget for 1950—51 calls for an appropriation of \$15,257.00 a net increase of \$404.00 more than that appropriated for 1949—50. This increase is reflected in the following items: tuitions \$615.00; teachers' salaries \$220.00; transportation \$200.00; teachers' retirement \$100.00; indebtedness \$142.00; miscellaneous items such as per capita tax, supplies connected with administrative services, light, insurance, etc., \$87.00, making a gross increase of \$1,364.00. Certain economies and reductions were effected to the extent of \$960.00, thus making the net increase the amount stated above.

We have been informed that the Peterborough School Board has found it necessary to increase its tuitions to bring them more in line with their costs of operation. Next year their tuition fees will be \$210.00 per pupil for grades 9-12; and \$140.00 per pupil for grades 7-8. They are permitted by law to charge the state average cost for operation of high schools and elementary schools. This cost for the year 1949—50, was \$233.70 for high

schools and \$140.39 for elementary. It is estimated that we will have 19 pupils attending high school next year and 6 pupils attending grades 7 & 8. Consequently, this increase is beyond the control of the school board. Attention is called to this item since it is largely responsible for the greatest part of the increases in the budget. By eliminating certain items of expense and reducing others, the board has been able to reduce the increase to \$404.00.

The estimated assessment required to cover the school board's budget is \$11,677.81, a decrease of \$191.01 over that of 1949—50. An act of the last legislature provided that the dog tax, which in the past has been used for school purposes, will remain with the Town Treasurer, rather than be turned over to the School District Treasurer. This act became effective Jan. 1, 1950. Thus, it will be noted that the school board has not included this item in its estimated income.

It also should be called to the attention of the school district that an assessment of \$15,053.00 was passed at the last March meeting. However, Greenfield was fortunate in receiving \$3,579.19 from state aid, instead of \$715.14, received in 1948—49. This increased state aid plus other income reduced the assessment for 1949—50 to \$11,868.82.

#### SPECIAL ARTICLES

ARTICLE 8 is a request for \$500.00 for the purpose of providing a fence to enclose the school property. On numerous occasions it has been called to the attention of the school board that we have a dangerous situation at the school. Since our playground space is limited and decidedly inadequate for certain games, it becomes necessary for the children to plan in front of the school and adjacent to the highway. It would seem that from a safety standpoint alone, that action of this nature would be desirable.

ARTICLE 9 is a request for \$500.00 to provide transportation for all elementary school children who live one mile or more from the school. If the district votes to carry all pupils living one mile or more from the school, 4 children will benefit for the year 1950—51. One of these lives 1.3 mile from the school, and 3 approximately 1.6 mile from the school. The total mileage covered per year would be approximately 2160. The route would consume approximately 40' per day. Thus it would be necessary to employ a bus operator in addition to the ones presently employed by the district.

I wish to express my appreciation for the excellent cooperation I have received from the school board and citizens of Greenfield.

Respectfully submitted,

NEWELL J. PAIRE

Superintendent of Schools
